

New York State's COVID-19 Rent Relief Program has reopened and expanded. Now, it is no longer a requirement to have been rent-burdened prior to the pandemic. Residents that have previously applied for COVID-19 Rent Relief will not have to reapply to be reconsidered. HCR will automatically reconsider you under the new expanded criteria. Applications are being accepted through February 1st, 2021.

**Apply today at <https://hcr.ny.gov/rrp>
or call 1-(833)-499-0318.**
